EXPERIENCE

Dancraft ATX – Owner / Handyman
Austin, TX

April 2017 - current

As a full-service residential and commercial handyman, I scoped and executed projects, including emergency repairs, new installations, custom design, and preventative maintenance. I provided excellent service through needs assessment of client concerns and frequent status updates through project completion.

Friends & Allies Brewing – Maintenance Lead
Austin, TX

December 2016 - March 2020

I installed and maintained mechanical systems, performed all-purpose repairs, implemented safety programs, and designed and installed new processes for packaging, inventory management, and brewing processes.

I created a RaspberryPi-based IoT sensor hub with local and cloud accessibility to monitor business-critical refrigeration systems.

First Presbyterian Church – Associate Pastor
Austin, TX

August 2011 - August 2015

I designed and led youth programs, provided counseling and pastoral care, delivered sermons, organized events, led committees. I worked collaboratively with staff and volunteers of all ages and backgrounds.
